Future Catholic Teacher Club

The SMS Future Catholic Teacher Club is inviting you to be a member this school year. Do you like to be of help to other students? Are you thinking about being a teacher in the future? We are recruiting any 4th-8th grade interested students. We tutor the Extended Day students after school on the 1st and 3rd Tuesdays of the month in the Preschool room. We organize at 2:30 p.m., and have a brief meeting. The session will end at 3:15 p.m. This is when you can arrange for your pickup, or you may then return to Extended Day if you attend that program.

Springtime will find us shadowing a teacher in a classroom. We also take field trips with the group after school from time to time. Maybe your parent would be a driver for us at those times.

Thank you for your consideration,

Mrs. Babb
