

Family Communication Portal

This information should be kept private and secure!

UNIQUE FAMILY CODE:

GradeLock is a secure website used to view homework, grades, and progress reports for your family.

Returning Families:

If your family has used GradeLock previously you can sign in with your existing username and password. You can also use your family code to create additional login accounts as needed.

New Families:

If you are new to the GradeLock system, please follow these steps to create a login account.

- Go to <https://parentaccess.gradelock.com>
- Select your school from the list
- Click on "**Create My Account**"
- Complete all fields

For your security, please do not share your login information or family code.
