**REGISTRATION POLICY**

St. Mary School's Registration Policy respects all faiths and nationalities. Students are accepted on an individual basis considering former school records, expressed motives and conference with parent(s) and student.

I understand that all students are accepted on probation for a nine week period. Continuation is dependent on adequate adjustment, i.e., satisfactory behavior and academic progress.

Student will be transferred on request, if the school, in conference with the parents, determine that there exists this lack of adjustment, whether such failure is caused by the school, environment, or the student.

I have read and understand this registration policy:

I agree to follow the policies, regulations and procedures of St. Mary School. I also pledge to be current with my financial obligation to St. Mary School.

ST. MARY  
SCHOOL EST. 1859

**Scholarship Information for the 2022-2023 School Year  
Celebrating 163 Years of Catholic Education**

Every student at St. Mary School is eligible to apply for scholarships and financial assistance. Working in partnership with parents, who are the primary educators of their children, St. Mary School wants to ensure that the young people in our community have an opportunity to receive an affordable Catholic education. All faith traditions are welcome to attend St. Mary School. Apply for scholarships and indicate need for financial assistance using this form. Keeping in mind that the cost to educate each student is much higher than tuition, we encourage all families to apply for financial assistance. St. Mary Parish subsidizes the school. Families will be notified of scholarships and financial assistance as soon as possible.

**If you have any questions at all, do not hesitate to contact St. Mary School at 440-322-2808. We will be happy to help you.**
